

Dear Allen,

I can't say enough good things about you and the entire Staff!!! Our Baby Shower on Sept 26 was a huge success, Everyone raved about food especially the chicken supreme.

Hopefully you'll have new customers since some ladies had never been to your venue. Keep the staff that worked that day, They are all an asset to you. Please tell Linda I will get some pictures to her for her album.

♥ Helen

**You are so very nice!**

Again Thank you!!!

Sincerely
