Peace be with you,

I would like to send my sincere thanks and gratitude for the fine, (better than fine) excellent catering you provided for my son, Sean, & his wife Liz on their wedding day NOV 1st at St. Charles Borromeo Church in Philadelphia!

We had a critical situation where the individuals preparing the food took all Thursday before the wedding. Thanks to God and your excellent team, we were able to proceed. The food was great, and the servers more than helpful & accommodating!

We will recommend and use your services again when the occasions arise.

Thanks to all of you

Margaret  
(mom of groom, Sean)
